Original Turkish Text

Ey alemlerin ?ah?
Teccelli k?l efendim teselli k?l
Gönüller burcunun mah?
Tecelli k?l teselli k?l

Bu Merkezi aman kulun candan
Yine ister Efendim Seni senden
Açub hüsünun aman nikab?ndan
Tecelli k?l efendim teselli k?l

?ehitlerin serçe?mesi
Enbiyân?n ba?r? ba??
Evliyan?n gözü ya??
Hasan ile Hüseyindir

Imam Ali babalar?
Muhammed'dir dedeleri
Ar??n çifte küpeleri
Hasan ile Hüseyin'dir

Kerbelân?n yaz?lar?
?ehit olmu? gazileri
Fatma ana kuzular?
Hasan ile Hüseyin'dir

Dedesiyile bile varan
Kevser ?rma??na duran
Susuz ümmete su veren
Hasan ile Hüseyin'dir

Kerbelâ'n?n tâ içinde
Nur parlak siyah saç?nda
Yatar al kanlar içinde
Hasan ile Hüseyin'dir

Yunus der ki dünya fâni
Bizden evvel gelen hani
Sekiz cennetin sultan?
Hasan ile Hüseyin'dir

Translation:

Oh Sultan of the Worlds
Manifest yourself, my Master, console us
O the moon of the tower of hearts
Manifest yourself, my Master, console us

This Merkezi, servant of yours, sincerely
Again wishes You my master from You
Opening your beauty from your veil,
Manifest yourself, my Master, console us

The prime fountain of martyrs
The heart and the mind of prophets
The tear on the eyes of saints (companions of Allah)
They are Hasan and Huseyin

Their father is Hazreti Ali

And Muhammed is their grandfather
They are the two earrings of Heavens
They are Hasan and Huseyin

Kerbela is their destiny
Martyrdom is their honor
They are the sweet, gentle ones of mother Fatima
They are Hasan and Huseyin

Deep down inside Kerbela
With flaring light on his dark hair
He lies there in red blood
They are Hasan and Huseyin

Even rocks at Kerbela
Bodiless heads recite Kuran
Those brothers who became martyrs
They are Hasan and Huseyin

The one who reaches with his Grandfather
The one who stands by the river Kevser
The one who gives water to the thirsty people of Muhammed sav
They are Hasan and Huseyin

Dervish Yunus, this world is temporal
Those who came before us confirms this
The sultan of both worlds
They are Hasan and Huseyin

Notes:

Note : There are 2 ilahis here under 1620. The first one (I) belongs to Merkez Efendi (ks); and the other one (II.) to Yunus(ks).translated in 1030. II. is the same ilahi.
